| // General Information:    |                                                                                    |
|----------------------------|------------------------------------------------------------------------------------|
| Product Display Title:     | Contacts Packs for Standard Series, 400 Series, 4000 Series Power Connector bodies |
| Product Family:            | Circular Power Connectors                                                          |
| Product Series:            | Standard Buccaneer                                                                 |
| Approvals:                 | CSA, UL, VDE                                                                       |
| Contact Type:              | Plug Contact                                                                       |
| Current Max:               | 8A                                                                                 |
| Function:                  | Accessory                                                                          |
| Max Operating Temperature: | +70°C                                                                              |
| Min Operating Temperature: | -20°C                                                                              |
| Number Of Contacts:        | 10 Contacts                                                                        |
| Voltage Max:               | 250V                                                                               |
